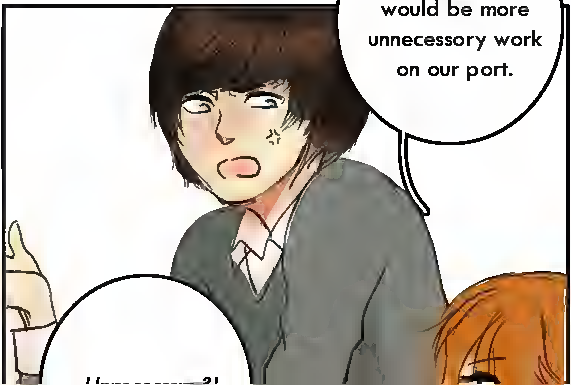
The clubs should be orgonized by cotegories.
Sports, orts, acodemics, etc...
Wouldn't it

be easier to sort through if we filed them alphabetically?

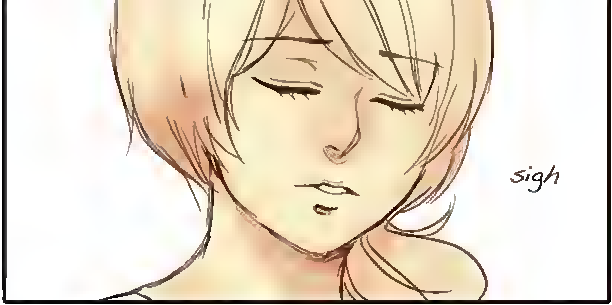
I feel like that would be more unnecessary work on our part.



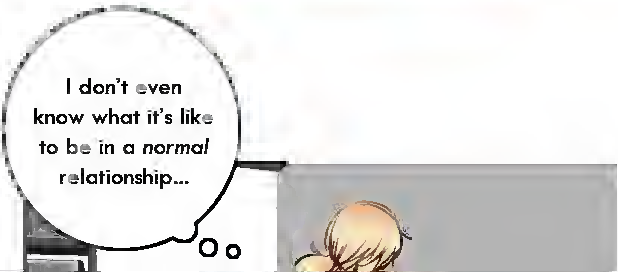
Unnecessary?!

If we orgonized things the woy I suggested for once, moybe we wouldn't hove to be working on the weekend in the first ploce!

"Is it alright if we keep our relationship a secret from everyone else?"



sigh

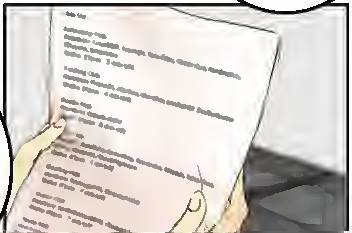


I don't even know what it's like to be in a *normal* relationship...

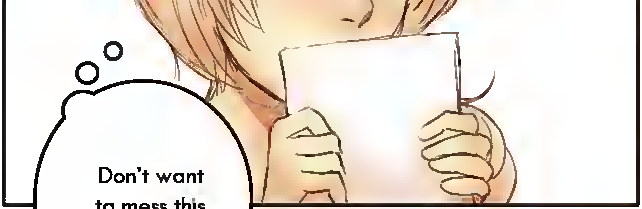
How am I supposed to know what to do in a *secret* relationship?

I bet Sherry would know how to handle the situation...

But I can't tell anyone about it.



I really
...

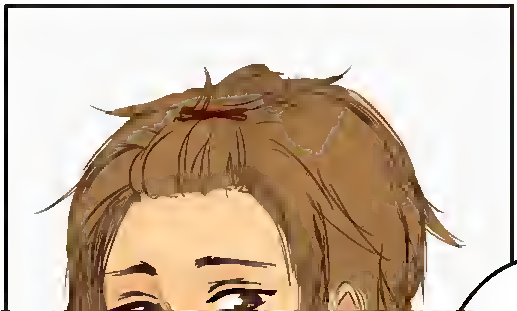


Don't want ta mess this up.

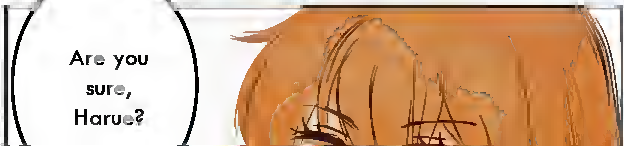
Sittie, Lui. You guys sound like an old, married couple when

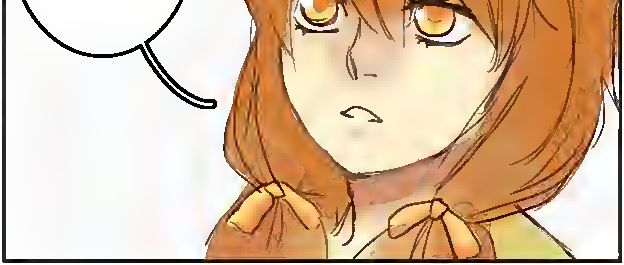
you argue like that.

not!



Well, you both look like you could use a break. Let me take care of the rest.





Positive. Moybe you con help Roscoe cleor up the storoge room insteod?

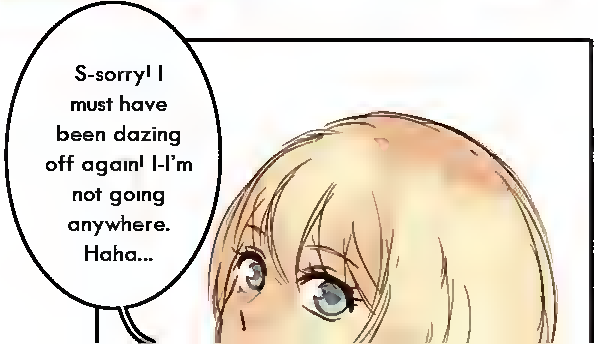
And by the way, Lui... Sherry is using your broom to kill bugs on the ceiling again.
DAMMIT SHERRY. SHE BETTER NOT BE USING THE HANDLE END!
She is~

SCREAMS
...
I'll go after him.

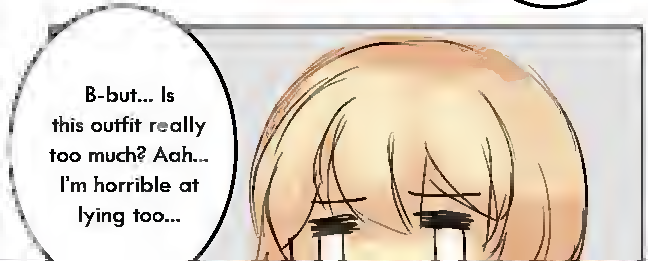
Rachie, you're so quiet this

morning.

I see you're dressed up today. Going somewhere?



Actually, I'm meeting Dindin at my darm later sa we can have lunch together in private.

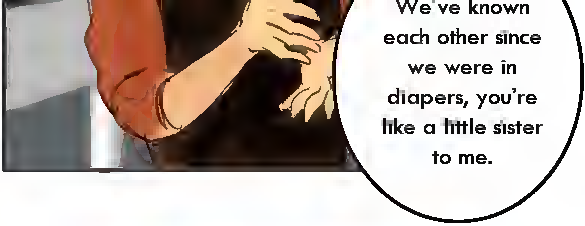


B-but... Is this outfit really too much? Aah... I'm horrible at lying too...

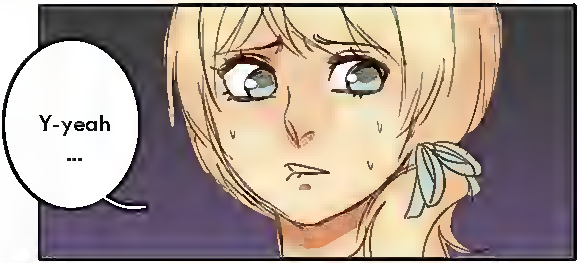
Ah, I see. If I didn't know any better, I'd think you were going on a *date*.
TENSE

I've been seeing a lot more *couples* around campus too... Maybe it's just that time of year...
NERVOUS

O-oh?
But of course you'd tell me if you had a *boyfriend*, right?

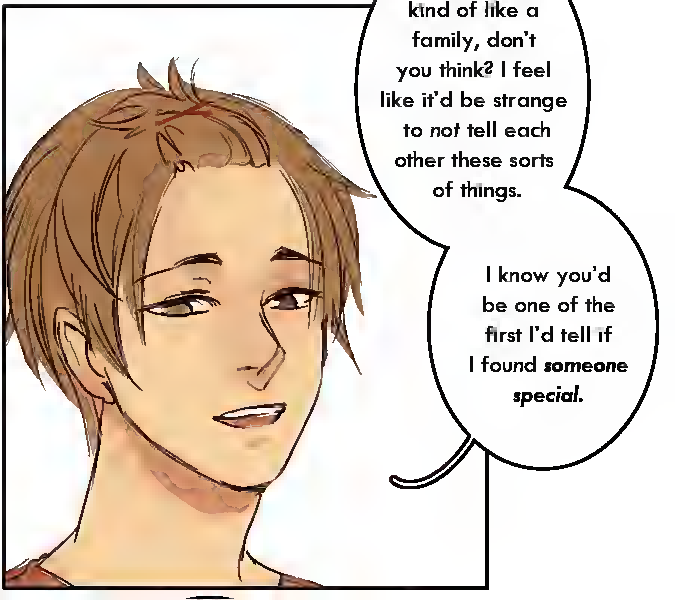


We've known each other since we were in diapers, you're like a little sister to me.



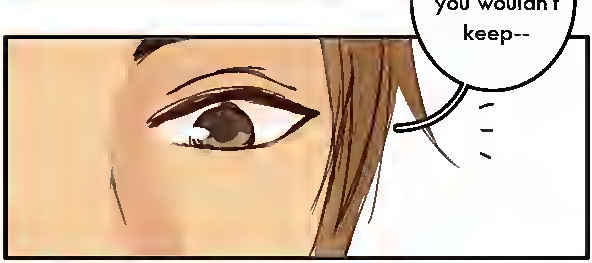
Y-yeah ...

We're all



kind of like a family, don't you think? I feel like it'd be strange to *not* tell each other these sorts of things.
I know you'd be one of the first I'd tell if I found **someone special.**

And besides, we're *best friends*, after all.
tremble
Of course



you wouldn't keep--

Oops... I think I went too far.

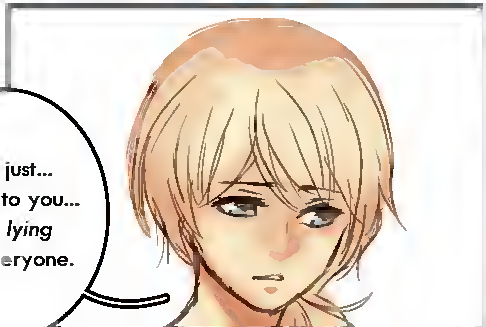
UWAAA!
H-HARUEEE!
I'm sorry,
Rachie!
Please don't
cry!!!

So you have a secret relationship with Landon...

Becouse he thinks people will seporote you two if they knew you were together--

You don't hove to cry onymore, Rach. I won't tell the others. Promise.

I-it's not that...



It's just...
I lied to you...
I'm *lying*
to everyone.

B-but at the same time, I also broke my promise with Dindin.

...It's like I can't do anything right.

I wouldn't be surprised if *that's* the reason why he

doesn't want anyone to know about us... I'm so unreliable.

...You're so much like your brother sometimes, it's kind of scary.
H-huh?! R-roscoe is in a secret relationship too?!

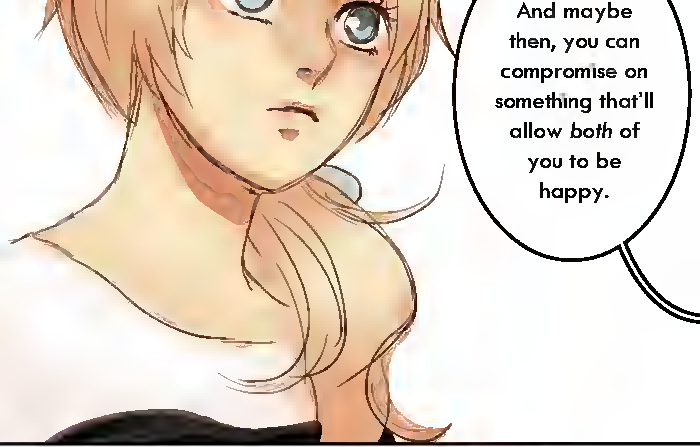
SHOCK
Er... No.
What I'm trying to say is...

Rother thon bottling it up inside, why don't you tolk to London obout how you feel on this?

In any relotionship, communicotion is important if you want things to

work out.
It might be difficult, and sometimes you won't see things eye to eye...

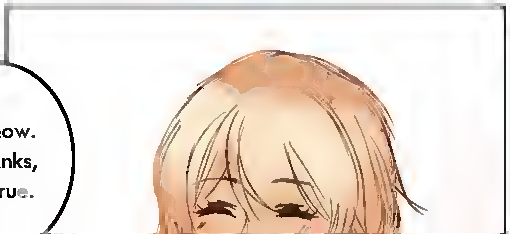
But what really matters is that you both understand each other's feelings.



I understand.

I trust you'll make the right decisions.
We all care about you a lot, Rachie... But don't let me or the others become a

hurdle for you.



I know.
Thanks,
Haru.

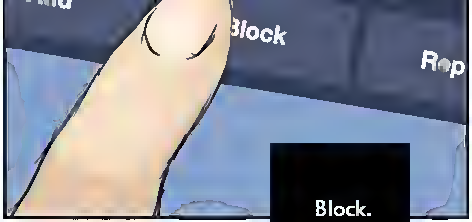
Landon~

Oh. It's not her.

I should change my number. I'm not even sure who some of these texts are from.

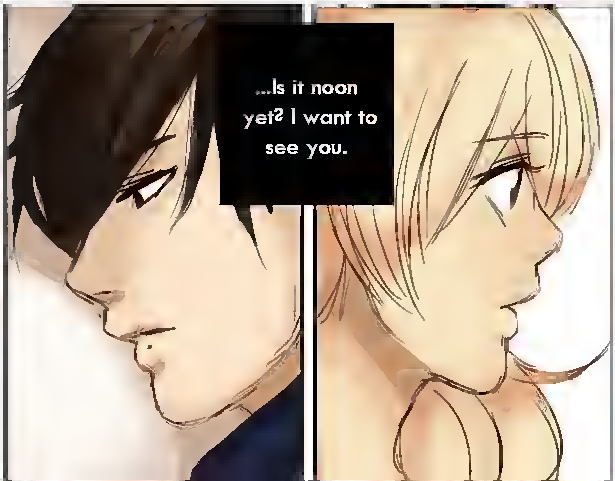
Maybe girls I shared my number with a while back?



Block.

The irony...

I never imagined I'd be waiting around for a girl like this.



...Is it noon yet? I want to see you.
